

Organizers: Dr. Erez Mills (The Hebrew University of Jerusalem), erez.mills@mail.huji.ac.il
Dr. Ilana Kolodkin-Gal (Weizmann Institute of Science), ilana.kolodkin-gal@weizmann.ac.il

The Annual Meeting of the Israel Society for Microbiology 2019

Weizmann Institute of Science, 6-7.3.2019

From Microbiomes to Bacterial Genomes,
a journey across scales

Prof. Regine Hengge
Humboldt University of Berlin

Prof. Andreas Bäuml
University of California, Davis

Prof. Alan Grossman
Massachusetts Institute of Technology

Sessions

Structures and functions in the
prokaryotes domain

[Environmental and Plant Microbiology](#)

[Parasitology](#)

[The human microbiome](#)

[Mycology and Yeast Biology](#)

[Microbial Genetics and Evolution](#)

[Microbial Biotechnology](#)

[Virology](#)

[The Aquatic Microbiota](#)

- * Abstract submission and Registration will be opened on Oct 1st.
- * In parallel with the Passwell International Meeting for Antibiotic Resistance
